

Arrive with a useful starting point

01

Bring one idea

02

Prepare your setup

03

Build and review

20-30 minutes of preparation. Rough notes are enough.

1. ONE SMALL IDEA

My idea (or something I would like help choosing):

The person it could help:

The frustrating task or problem:

The useful result I want to help them reach:

2. WHAT I KNOW / WHAT I AM GUESSING

One real question, complaint, or request I have heard:

Where it came from (a public URL or my own observation):

One example of how people solve this today:

What I still need to ask a real person:

3. MY FIRST VERSION

By the end of the workshop, I would like to be able to show:

One thing a person should be able to do with it:

Three features or elements at most:

What can wait until later:

Someone I could invite to try the draft (keep their contact details private):

SETUP AND MATERIALS

Get ready to build

4. MY SETUP

- ☐ Laptop, charger, internet, and a working browser
- ☐ Access to the email I used to register
- ☐ I tried Zoom's test meeting, or noted what I need help with
- ☐ I know which AI account I already have, if any
- ☐ I have noted any account or installation questions

Tools I already use:

My comfortable monthly software budget (including \$0):

I need help with:

5. WHAT I WILL BRING

My biggest question:

One link, screenshot, draft, or example I can safely share:

One thing I want to understand about using AI:

SOFTWARE AND PRIVACY

You can observe the demonstrations without buying software. Wait until orientation to choose unfamiliar paid tools. Do not put passwords, API keys, payment details, private client records, or personal health information here. Keep a copy of your notes; this worksheet is not submitted to Ashley.

2026 / ALL TIMES EASTERN (NEW YORK)

Your workshop schedule

2026 SCHEDULE - ALL TIMES EASTERN (NEW YORK)

Thu Oct 29, 7-8 p.m.:	optional Zoom setup and orientation
Mon Nov 2, 7-9 p.m.:	validate, plan and build
Tue Nov 3, 7-8 p.m.:	optional Zoom office hours - get unstuck
Thu Nov 5, noon-1 p.m.:	optional Zoom office hours - ideas and feedback
Sun Nov 8, 4-5 p.m.:	optional Zoom office hours - build and prepare
Mon Nov 9, 7-9 p.m.:	refine, test and market

Both Monday sessions include a 10-minute break at 7:55 p.m.
Daylight saving time ends November 1; the calendar download handles the change.
Main workshops: Zoom or in person in West Palm Beach.
West Palm Beach venue details will be provided closer to the workshop date.
Zoom meeting links will be provided to confirmed registrants before their sessions.
